Good Afternoon!

We wanted our Preschool parents to know that Cleveland School provides after school care for Full Day Preschool students Monday-Friday on school days, from 3:00pm-6:00pm. If you are interested, please fill out the attached forms and arrange with Ms. Leon your payment options. If you have older students in need of after school care, please reference a separate email you should have received about the NBGC after school care program, onsite at Cleveland School.

All the Best,
