Dear Cleveland Community,

Thank you for making to the third week of school!

- Next week on Wednesday the 22. The Chicago Children's Choir will be in the building conducting auditions for a 3-5 choir and a 6-8 choir. They will be coming from class to class and asking children if they want to audition. This will be very short ,out in the hallway. Choir rehearsals will be on Monday for 3-5 and Thursday for 6-8, after school in the auditorium from 3:00-3:45. Practice begins in early October and ends in May.
- **Parents are not allowed in the building unless they have a meeting with the Special Education team. When a parent rings the doorbell for registration or early dismissal, they are being told to go to door number 6 where Mrs. Leoin or Ms. Mainard will meet them.**
- Picture Day is September 30th.
- Several 8th graders have been offered an Algebra class after school for High School credit. This class is virtual.
- This month is Hispanic Heritage month.

Thank you for everything you do. I know things are difficult right now and I am going home exhausted, so I am sure you are more tired than I am. Please stay safe and have a wonderful weekend.
