September 24th, 2021

Dear Cleveland Community,

Happy Friday,

Hispanic Heritage Month:

Pre-K

Regarding Hispanic Heritage Month, yesterday we celebrated the Mexican Day of Independence in our class. We showed children photos of cars decorated with the Mexican flag and asked them whether they had recently seen cars like that in the neighborhood. (Most hands shot up!) We watched videos of fireworks and celebrations around Mexico, compared it to the Fourth of July, danced to "México Lindo y Querido," and colored the Mexican flag

Art:

. In Art students will be celebrating Hispanic Heritage month, by making all kinds of things from paper Molas, South American blanket inspired art pieces, and Chicken buses or Mexican buses , just to name a few. As well as learning about Hispanic artists.

Next week:

- Picture Day is September 30th. Forms were sent home yesterday
- The Red Bird Hustle is October 1. If you have not registered, please consider doing so.
- The PAC organizational meeting is on September 28th at 5:00.

Phone Numbers

[\(US\)+1 720-340-3271](tel:+17203403271)

PIN: 932 531 080#

Technology will return to the schedule October 4. Thank you for your patience.

Reminder:

Please read Chicago Public School's policy (located below) on outdoor recess during cold weather. Also, **please make sure your child is dressed to go outside for recess during cold weather.**

Weather Is Turning Colder, Make Sure Students Are Getting Outside For Recess!

Cold air does not make us sick, germs make us sick. Make sure students are getting outside for recess/ gross motor time at your school! Outdoor recess time allows children to get fresh air, provides an opportunity for children to engage in moderate to vigorous physical activity and gives students more activity options than most indoor spaces. The Office of Student Health and Wellness recommends using 20 degrees F with or without wind-chill as the threshold for keeping students in for recess. Please see the following CPS cold weather guidelines for outdoor recess:

Cold Weather Guidelines:

- Above 32 degrees F with or without wind chill: Recess should be held outdoors.
- Between 31 degrees F and 15 degrees F with or without wind chill: Principal discretion.

- Below 15 degrees F with or without wind chill: Recess should be held indoors.

Have a wonderful and safe weekend!

Ms. Ward
