Dear Parents,

In the morning we block the street on Byron at both corners, however many people have decided to move the barriers or drive around them. We put the barriers up for the safety of the children because as you know children can be impulsive and run into the street. We need your help to make sure no one moves the barriers or drives around them. If you see a barrier out of place and can move it back to where it belongs please do so for the safety of the children.

Thank you,

D. Ward
