Dear Parents,

Congratulations we made it to week 5! Progress reports are being sent home today so look for them in your child's backpack. Should you have any questions or concerns please contact your child's teacher.

Next Week:

- Choir starts on Monday for grades 3-5 and Thursday for grades 6-8
- We received a peer coaching grant . Fifteen students will be trained to hold restorative conversations with their peers. Training will begin in October.
- Thank you to everyone for participating in the Red Bird Hustle. The FOC worked hard to make this a fun and successful event.
- Attached you can find the rules for behavior and respect at Cleveland. It's also available on our school website. www.clevelandschool.org.
- Thank you to Kristine Stanton for organizing the after school program. The information should be sent home today. Attached are the flyers for afterschool.
- Please ask students to keep their toys at home. Toys at school and on the playground are causing many disagreements.
- Thank you to Ms. Lang for organizing a student patrol. They should start shortly.
- We still have room in our extended day for pre-k and the Neighborhood Boys and Girls club. Call the office at 7773-534-5130 for more information.
- We go out for recess unless it is raining, snowing or the temperature is below 32degrees. Please make sure the children are dressed for the weather.

Have a wonderful weekend and stay safe!

Ms. Ward
