Dear Cleveland Community,

In support of the district's Vaccine Awareness Day, Nutrition Support Services will provide meal pickup service for one day only.

Meals will be available to families of children ages 18 and under on Friday, November 12, 2021, between the hours of 9 AM – 1 PM, at Cleveland School.

Last week, the Centers for Disease Control and Prevention (CDC) took the important step of approving the COVID-19 vaccine for children ages 5 to 11-years-old. In order to help make our classrooms even safer learning environments than they are today, we are urging all CPS families and staff to use Vaccination Awareness Day to take their children to the pediatrician, local pharmacy, community health care provider, or CPS-run vaccination event.

If families reach out to you about finding a vaccine, please direct them to this information:

The quickest and easiest way to find a vaccine appointment:

- Visit [vaccines.gov](https://www.vaccines.gov)
- Text your zip code to 438829
