**Q1:** Parent is upset with Music Program from Old Town Folk Music- didn't like that it was offered in 4<sup>th</sup> quarter-last quarter of the school year. Additionally, performance that their child was in they were not invited to it.

**A1:** It was agreed upon with all parties that the 4<sup>th</sup> quarter was best fit for students. In regards to the performance, this was for the students in K-4. The students, teachers, and OTF volunteers did a great job. We are still under Covid-19 restrictions.

**Q2:** How come school does not share performance via video with all?

**A2:** This was an impromptu performance- some teachers did record as a video and shared with their parents. We cannot force or regulate who shares and who doesn't.

**Q3:** It should be considered making the mask mandatory for the upcoming school year (22-23 SY). Infections are still continuing-my son contracted COVID-19 the last of school.
