

Protect your child from COVID-19 Get them vaccinated and boosted!

COVID-19
booster doses
are now available
for everyone
aged 6 months
old and older!

A big reason why I decided to get vaccinated was to protect my friends and family – especially my great-grandma.

COVID-19 vaccines are:

- Safe
- Effective
- Widely available
- Lifesaving
- The most important thing you can do to protect yourself and your loved ones from COVID

Visit cps.edu/vaccinations to schedule an appointment and get more information about vaccines and boosters.
